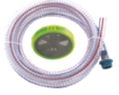
M20

» HOT WATER

STANDARD ACCESSORIES

G200H

C10H



FEATURES

- Performance-approved motor
- Commercial grade direct drive brass cylinder ceramic plungers radial direction pump
- 15m high-pressure hose
- Pressure adjustable
- Professional trigger gun with safety lock
- 10-inch wheels
- In-line water filter
- Convenient hose and gun hook
- Water inlet hose connector
- Protection box
- 5m cable
- Pressure gauge

Model	LT-M20/15H
Max. Pressure	200bar / 2900PSI
Max. Flow	15.0L/min / 3.96GPM
Motor Power	5500W
Voltage	AC 380V
Revolution	1450rpm
Pump Model	3WZ-18135B
N.W./G.W.	160kgs / 190kgs
Carton Size	1060x900x1020mm
